INTERNATIONAL AND NATIONAL SCHOLARSHIP GUIDANCE PROGRAMME (INSGP)

-BE AWARE AND ENLIGHTENED...

This is a specially designed course to help students pursuing various educational courses to help find and grab the opportunity to achieve scholarship and make world class education affordable and free. Thousands of educational institutions across the globe provide scholarships to students. The lack of awareness leads to eligible candidates losing opportunities to get these scholarships. Opportunities are to be grabbed. Vedhik brings to you the widely researched and well organized information on the various scholarships available across the globe. We have a well-trained and dedicated team working for all the support system that the students need to find these scholarships. We aim at the noble cause of helping students around the world to get education and opportunities from the best national and international institutions.

INSGP will guide the students to get the opportunities of scholarship offered by any university anywhere in the world. For that Vedhik Academy will support and guide the students and parents through internationally renowned personalities who are well connected and part of the top most educational Institutions in India and around the world. In Vedhik Academy India's top notch professionals join together under the leadership of DR J Alexander, IAS DR Alexander Jacob IPS and DR Babu Sebastian to help the students to grab the opportunity through an amazing programme.
